## GENERAL

All products under the MEETION brand comply with the US FCC standards withFCC ID: 2A706. The product is made in accordance with RoHS standard.

## PRECAUTIONS

1. This product contains a rechargeable lithium battery.
(1) Do not dismantle, strike, crush, or put it into a fire.
(2) Stop using it immediately if severe swelling occurs.
(3) Do not place it in a high-temperature environment.
2. Do not use this device near water.
3. Only use a dry cloth to clean this product.
4. Please follow the manufacturer's instructions for use.
5. If the device is damaged, for example, if liquid enters it, if it gets wet in the rain or becomes damp, or if it cannot operate normally, it must be repaired. For repair matters, it should be entrusted to qualified maintenance personnel.

## KIND TIPS

If the product is not in use for a long time, it is recommended to charge it every three months to activate the lithium battery inside the product and prevent battery failure due to long periods of non-use.
