Add a device

Add a device

Make sure your device is turned on and discoverable. Select a device connect.

OnePlus 7TPro

MEETION Bluetooth

Turn on Bluetooth on the PC and find the Bluetooth name "MEETION Bluetooth". Click on pairing, and the blue light stops flashing to indicate successful connection.

GW38 CHARGE

First plug one end of the included cable into the mouse and the other end into the computer, then the green light will breathe to indicate charging, and the mouse's connection mode will switch to wired mode. When the battery is fully charged, the green light will stay on.

When the red indicator light starts flashing, it means the mouse is low on power, please start charging immediately!

Another charging method is to first move the mouse to any wireless mode, then place the mouse on the magnetic charging base, and connect it to the PC with a cable.

 **Tip:** The maximum charging voltage should not exceed 5V.
